

Research Paper Outline Template

Research 10 - Acacia | Practical Research 1 (Qualitative)

Directions: Replace every bracketed [] section with your own text. Submit as a printed copy.

Format reminder: Times New Roman 12, double-spaced, 1-inch margins, APA 7th edition.

I. Title Page

- [Research title - 12 to 15 words, includes variables/participants/locale]
- [Your name, Grade and Section]
- [Subject teacher, School name, School year]

II. Abstract (150-250 words)

[One paragraph: purpose, participants, method, key findings, conclusion. Write this LAST.]

III. Introduction

- [Background of the study - 2 to 3 paragraphs narrowing from broad to specific]
- [Statement of the problem - list 3 to 5 research questions ending in question marks]
- [Significance of the study - who benefits and how]
- [Scope and delimitation - coverage, participants, locale, limits]

IV. Literature Review

- [Theme 1 - related studies with author-year citations]
- [Theme 2 - related studies with author-year citations]
- [Synthesis - what the combined studies say and the research gap your study fills]

V. Methodology

- [Research design - e.g., descriptive qualitative; justify the choice]
- [Participants and sampling - who, how many, how chosen]
- [Instrument - interview guide / observation checklist; attach a copy as Appendix]

A]

- [Data collection procedure - step-by-step account]
- [Ethical considerations - consent, anonymity, voluntary participation]

VI. Results and Discussion

- [Present themes that emerged; support each with quoted responses]
- [Interpret findings against your literature review]
- [State limitations honestly]

VII. References

[Alphabetical list of ALL cited sources in APA 7th edition format. See the APA Quick Guide in Resources.]

Checklist before submission: title page complete - questions answerable - citations match references - appendices labeled.
